

Economy, performance, time: the perfect balance

With Compass Control® you can choose the program set-up that suits you best. Finding the perfect balance between low water and energy consumption, whilst maximising wash results with shorter processing time.

Economy, Performance, Time

All our machines come with the full range of wash cycles and programs in the Electrolux wash program library. You choose the configuration of the machine – with all programs or your desired selection.

Compass Control®

- Compass Control® machines offer wash program libraries with our “Wash Triangle” technology for general In-house laundry needs (hospital, boarding schools, marine installations etc). Configure the machine to suit your needs. Using “Economy” programs help to reduce your running costs. Alternatively should your needs change you can reconfigure your machine from the library using “Performance” or “Time”
- Compass Control® machines offer wash programs developed to specifically suit your needs (healthcare, restaurants, laundrettes, leisure, indoor cleaning etc.)
- Assign your most frequently used programs to our Quick start button function
