

CATER - KWIK

The washing machine came super quickly... Mega!

The delivery driver was so kind.

Machine has done 18 loads in 4 days...!

Love it!

Charlotte Fay couldn't have been more helpful with lots of advice on buying a washing machine for equestrian use. Weighing up all options the customer service of cater Kwik meant best value for money I could find. And a lovely, friendly delivery driver not only brought to me but installed the machine too. Oh, and my washing machine is excellent. amazing clean and spins so well rugs take less time to dry! Thank you all.
