Spread the cost of your new machines and manage cash flow more efficiently with a 12-, 18- or 24-months Interest-Free Purchase Plan.

Simply contact one of our Solutions Coordinators on 01229 480001 with what Hobart or Foster equipment you require along with your business information (Company Name, Contact Details, Telephone number and an Email Address), and we will send your application to ITW along with a copy of your Caterkwik Quotation.

Subject to Initial Credit Checks, ITW will contact you directly to confirm the Credit terms they want to offer. With a 99% approval rating, ITW may want to offer you the option to pay a larger deposit or request further information to secure the Purchase Plan.

Once the terms of the Purchase Plan are agreed, you will be required to sign a digital document via DocuSign. This will also need to be witnessed by a third party (Family Member, Friend, Colleague Etc).

ITW will receive instant notification once the Documents have been signed, if a deposit is required, they will contact you to make a payment Via Bacs or a payment link by Card.

After confirmation, ITW will raise your order with CaterKwik. This may be the same day as your application for the Payment Plan.

Not only will you own the machine (on receipt of the final payment), you'll also benefit from equal monthly payments for the remainder of the term and the option to include installation and extended warranty.

Your Monthly payments via Direct Debit due on the 1st of each month will only commence after the delivery/installation of your equipment is complete.

Please Note: Payment Plans are Subject to [Terms and Conditions](#).
