Stand with castors model 2-XS

RATIONAL

Articlenumber
60.31.317

Description
The iVario can be installed directly onto the appropriate stand. In this way, you benefit from the integrated pull-out shelves. Containers can be placed on these to safely empty the pan. There are also two times three support rails to store GN containers and accessories.

The recesses for installation inlets and drains mean the stand can be placed flush with the wall.

Side walls and top closed, rear side open.

Intended use
This product is intended exclusively for professional use, such as in restaurant kitchens or catering operations for schools, hospitals, or delis. Any other use runs counter to its intended purpose, and could be dangerous. RATIONAL AG assumes no liability for consequences of improper use.
