Datasheets
Stand with electric height adjustment model 2-S
RATIONAL

Articlenumber

60.31.327

Description

The iVario can be installed directly onto the appropriate stand. In this way, you benefit from the integrated pull-out shelves. Containers can be placed on these to safely empty the pan. There are also two times three support rails to store GN containers and accessories.

Continuously height adjustable (200 mm) for custom ergonomic adaptation of the working height.

Easy operation of height adjustment via the unit display.

Closed side panels, top panel and rear .

Intended use

This product is intended exclusively for professional use, such as in restaurant kitchens or catering operations for schools, hospitals, or delis. Any other use runs counter to its intended purpose, and could be dangerous. RATIONAL AG assumes no liability for consequences of improper use.

Features

- Lifting time: 16 seconds (200 mm)
- Speed: 11 mm/s
