

AWB3**AUTOMATIC FILL WATER BOILER**

A powerful and reliable unit, the Parry AWB3 automatic fill water boiler provides an excellent solution for professional hot water dispensing, manufactured with high grade stainless steel. British made and WRAS approved, this high quality water boiler can dispense up to 256 cups per hour (25 litres), ideal for use in hotels, bars, or even self-service areas. The stainless steel construction and boil dry protection ensure this water boiler is both easy to clean and safe to use.

BUILT FOR PURPOSE IN BRITAIN

With a 40-year heritage steeped in British craftsmanship, we specialise in bespoke stainless steel catering equipment. Supporting the UK economy – 95% of our products are manufactured at our Draycott factory – we believe in high quality equipment designed for daily use.

We're committed to collaborating with you, and we're constantly looking for ways to help you achieve maximum benefit from your relationship with us. That's the philosophy behind the Parry Partnership, which we've created to ensure that we exceed your requirements and help drive the growth of your business.

WARRANTY AND SPARES ARE BACK IN-HOUSE

After listening to your views and taking on board your feedback, we took the decision to bring our warranty service back in-house. What's more, we've extended it to two years (including parts and labour) across all Parry products.

info.parry.co.uk/the-parry-warranty

And with spares in-house, too, we're able to provide a complete after-sales service, combining exceptional value and speedy delivery. As a result, you have a direct link to our factory floor, which means you'll bid a permanent farewell to supply chain hassle.
