Labcold Blood Baskets

Labcold produce a range of baskets to be used in conjunction with Labcold shelf-model blood banks. Our baskets have been designed to fit all models and ensure good air circulation around the product whilst keeping product organised with labels visible.

- Part Number: **BABB4005** - holds 5 bags
BABB4007 - holds 7 bags
BABB4613 - holds 8 bags
BABB5610 - holds 10 bags
