

Commercial Coffee Machine

Make great coffee for your customers with the Buffalo Commercial Filter Coffee Machine. Supplied with a dishwasher safe 1.8 litre glass jug, the independently controlled upper hotplate allows coffee to be kept warm whilst another jug dispenses for a constant supply - ideal for busy restaurants, halls, bars and bistros. Powerful and fast, this quality coffee maker can quietly dispense a 1.8 litre jug of coffee within five minutes, keeping queues down and maximising output. Additional jugs are available separately. Simple to use and clean.

Features and Benefits:

- Upper and lower hotplates
- 1 x shatterproof 1.8 litre coffee jug supplied as standard
- Manual water fill
- 1.8 litre jug dispensed in 5 minutes
