**HIGHLIGHTS**

- **Agion:** the technology that makes products cleaner and longer lasting with built-in protection working 24/7 to resist the growth of microbes and the development of unpleasant odors.
- **One touch cleaning:** reduces labor costs and saves time.
- **Electronic control:** ambient and water temperatures may change throughout the years but your ice machine will stay the same.
- **Front access condenser air filter:** a do-it-yourself cleaning operation that saves time and money and makes your ice machine live longer.
- **Water sense adaptive purge control:** uses just as much water as it is actually needed, limiting wastage to the minimum.

**Dice ice**

Classic six sides ice cube.  
The vertical evaporator technology of this ice cube guarantees large ice production at lower operating costs.

Available in several different sizes.
