

C3LU**THREE LAMP
CARVERY SERVERY**

This stylish and attractive, Parry C3LU is the perfect solution for keeping foods at hygienic and ready to serve temperatures. Constructed with sturdy and easy to clean stainless steel, the Parry two lamp servery unit is perfect for use in buffets, carveries and other self-service food outlets. With a width of 1095, the hot plate has ample room for serving food in gastronorm pans or other cookware. The easily adjustable temperature control and gantry mounted sneeze guard ensures the Parry C3LU food display unit is a valuable addition to your business.

BUILT FOR PURPOSE IN BRITAIN

With a 40-year heritage steeped in British craftsmanship, we specialise in bespoke stainless steel catering equipment. Supporting the UK economy – 95% of our products are manufactured at our Draycott factory – we believe in high quality equipment designed for daily use.

We're committed to collaborating with you, and we're constantly looking for ways to help you achieve maximum benefit from your relationship with us. That's the philosophy behind the Parry Partnership, which we've created to ensure that we exceed your requirements and help drive the growth of your business.

WARRANTY AND SPARES ARE BACK IN-HOUSE

After listening to your views and taking on board your feedback, we took the decision to bring our warranty service back in-house. What's more, we've extended it to two years (including parts and labour) across all Parry products.

info.parry.co.uk/the-parry-warranty

And with spares in-house, too, we're able to provide a complete after-sales service, combining exceptional value and speedy delivery. As a result, you have a direct link to our factory floor, which means you'll bid a permanent farewell to supply chain hassle.
