

A7 Machine Dishwash Hard Water Conditions

Machine dishwashing detergent cleans and disperses soil to allow free rinsing. Deep penetrating, low foam formulation powerfully cuts through grease and food deposits. Specially balanced action softens the wash water, prolongs machine life and prevents corrosion to washware.

- Removes stubborn stains and food deposits
- Effective in both hard & soft water areas
- Suitable for all automatic dishwashing machines
- Enhanced biodegradability
- Optimises machine performance

FOR PROFESSIONAL USE ONLY. Always follow machine manufacturer's instructions. Dose via the detergent compartment of the dishwashing machine.

QUALITY ASSURANCE:

This product is manufactured in the UK by Orca Hygiene Ltd. Produced under ISO9001 Quality Management System and ISO 14001 Environmental Management System.

CONTAINS: sodium hydroxide, <5% anionic surfactants
