

## CK7240

### Counter Cooler GN1/1

#### Product Features

- Stainless steel
- Automatic defrost
- Removable table top with splashback
- GN1/1 Drawers
- Ventilated cooling
- Castors, 2 lockable

### Stainless steel counter cooler with GN1/1 drawers

A streamlined and compact cooling solution for commercial kitchens, the CK counter fridge keeps your ingredients chilled and within easy reach during service. The electronic temperature controller enables you to adjust the temperature on the ventilated cooling system to suit your ingredients and maintain consistency. The chiller's GN1/1 drawers allow for easy cleaning and accessibility. Constructed from durable stainless steel, the CK counter fridge is built to last in busy professional kitchen environments. The splashback countertop can be detached to use the unit as an undercounter fridge and the height-adjustable legs provide flexibility. Whether used as a counter or undercounter fridge, the CK chiller is an excellent addition to optimise workflow and productivity.

#### Measures and Content

|                    |    |           |
|--------------------|----|-----------|
| Temperature Range  | °C | -2 to +10 |
| Climate Class      |    | 4         |
| Gross / Net Weight | kg | 122 / 112 |
| Gross / Net Volume | l  | 282 / 272 |

#### Design and Material

|                       |     |                   |
|-----------------------|-----|-------------------|
| Door Number & Type    |     |                   |
| Shelves Number & Type |     |                   |
| Shelf Color           |     | White             |
| Drawers               | pcs | 4 GN1/1 drawers   |
| Feet / Legs           |     | 4 adjustable legs |
| Exterior Finish       |     | SS304             |
| Interior Finish       |     | SS304             |

#### Cooling and Functions

|                    |   |            |
|--------------------|---|------------|
| Type of Controller |   | Electronic |
| Type of Cooling    |   | Ventilated |
| Type of Defrost    |   | Automatic  |
| Refrigerant        |   | R600a      |
| Refrigerant Charge | g | 95         |
| Thermometer        |   | Yes        |

#### Power and Consumption

|                           |          |            |
|---------------------------|----------|------------|
| Energy Class              |          | B          |
| Energy Consumption        | kWh/24h  | 1.98       |
| Annual Energy Consumption | kWh/year | 723        |
| Power                     |          | 13 Amp     |
| Input Power               | W        | 300        |
| Voltage / Frequency       | V/Hz     | 220-240/50 |
| Noise Level               | dB(A)    | 42         |

#### Dimensions

|                            |     |                   |
|----------------------------|-----|-------------------|
| Internal Dimension (WxDxH) | mm  | 902 x 530 x 589   |
| External Dimension (WxDxH) | mm  | 1360 x 700 x 960  |
| Packed Dimension (WxDxH)   | mm  | 1390 x 730 x 1010 |
| 40ft Container Load        | pcs | 48                |
