

CK7360

Counter Cooler GN1/1

Product Features

- Stainless steel
- Automatic defrost
- Removable table top with splashback
- Castors, 2 lockable
- GN1/1 Drawers
- Ventilated cooling

Stainless steel counter cooler with GN1/1 drawers

A streamlined and compact cooling solution for commercial kitchens, the CK counter fridge keeps your ingredients chilled and within easy reach during service. The electronic temperature controller enables you to adjust the temperature on the ventilated cooling system to suit your ingredients and maintain consistency. The chiller's GN1/1 drawers allow for easy cleaning and accessibility. Constructed from durable stainless steel, the CK counter fridge is built to last in busy professional kitchen environments. The splashback countertop can be detached to use the unit as an undercounter fridge and the height-adjustable legs provide flexibility. Whether used as a counter or undercounter fridge, the CK chiller is an excellent addition to optimise workflow and productivity.

Measures and Content

Temperature Range	°C	-2 to +10
Climate Class		4
Gross / Net Weight	kg	162 / 152
Gross / Net Volume	l	417 / 402

Design and Material

Door Number & Type		
Shelves Number & Type		
Shelf Color		White
Drawers	pcs	6 GN1/1 drawers
Feet / Legs		4 adjustable feet
Exterior Finish		SS304
Interior Finish		SS304

Cooling and Functions

Type of Controller		Electronic
Type of Cooling		Ventilated
Type of Defrost		Automatic
