

CKC4

KEG Cooler

Product Features

- Self-closing door
- Stainless steel interior
- Adjustable feet
- Ventilated cooling
- Suitable for 20 l KEGs

The CKC range of keg coolers from TEFCOLD is ideal for busy bars serving draft beer. Available in sizes for 4-8 x 20 litre kegs, these coolers feature a sleek black exterior and durable stainless steel interior. Ventilated cooling ensures rapid pull-down time, and the electronic thermostat allows easy temperature adjustment. With ample capacity and efficient cooling, CKC keg coolers keep your beer chilled and ready to pour, perfect for any bar.
