

CPC1

ELECTRIC HEATED PIE CABINET

Perfect for encouraging impulse purchases of hot food products such as pies, pasties and sausage rolls, the Parry CPC1 electric heated pie cabinet is ideal for mobile caterers, kiosks, convenience shops and takeaways. Constructed from high grade stainless steel and toughened glass, it keeps hot food at safe and hygienic temperatures. The four wired shelves can be removed for cleaning or to fit larger stock. Easy to use and clean, the cabinet also features an internal water reservoir to ensure food doesn't dry out.
