- Operator safety
 - lift-off lid directs steam away from user

MODELS and ACCESSORIES

E2078-45 Boiling pan (45 litre)

E2078-90 Boiling pan (90 litre)

E2078-135 Boiling pan (135 litre)

- Lift-out pan kit

INSTALLATION NOTES

Adequate ventilation must be provided to supply sufficient fresh air to allow easy removal of any such products that may present a risk to health. Please consult current legislation for details that relate to specific locations.

Install unit on a level, fireproof surface in a well-lit, draught free position. If floor is made of a combustible material, local fire requirements must be checked to ensure compliance.

A clearance of 150mm should be observed between appliance and any combustible wall.
