Features and benefits

- When space is a prime concern Slimline cabinets provide the ideal storage solution
- Fitted with Foster's revolutionary +stayclear condenser as standard, reducing the need for disruptive site maintenance and offering incredible efficiencies
- Bottom mounted refrigeration system draws air from the cooler part of the kitchen ensuring efficient operation
- LED electronic temperature display for accurate control and clear visual reference
- High quality 304 grade stainless steel finish is food safe and hard wearing
- Stainless steel exterior finish with 304 stainless steel door provides a durable product suitable for tough kitchen usage
- This glass door model uses energy efficient LED lighting to enhance the display of stored products
- Slender design, big performance! High quality forced air refrigeration system means that this glass door cabinet will operate up to 25°C (ISO Climate Class 3)

Technical
