

Manual Fill Water Boiler

Powerful and versatile, the Buffalo 20Ltr manual fill water boiler is ideal for mobile caterers, cafes, B&Bs, guesthouses, village halls, offices and staff rooms. The kettle is easy to clean and portable - and features fully-welded stainless steel construction with a concealed 2600W element. The control dial allows the temperature to be regulated as required and the non-drip tap is strong and durable enough to withstand daily use in a commercial environment. Reliable and durable, the Buffalo commercial water urn is a valuable addition to any professional catering establishment.

Features and Benefits:

- Concealed Elements for Easy Cleaning
- Non-Drip Tap
- Tap Height: 120mm
- External thermal reset button
