

Manual Fill Water Boiler

The manual fill Buffalo 40 ltr water boiler is a powerful and versatile appliance for professional catering businesses. Perfect for use by mobile caterers, B&Bs and staff rooms, the kettle is ideal for buffet-style breakfast service. The easy to clean, fully-welded stainless steel construction and the huge 40 ltr capacity ensures that the urn is strong, water-tight and large enough to serve many drinks without being refilled. With a powerful 2600W concealed element and variable temperature control, the Buffalo commercial boiler can be used to keep water below boiling if required. Supplied with secure durable handles to ensure the unit is portable and a non-drip tap, the boiler is a valuable addition to any commercial catering establishment.

Features and Benefits:

- Concealed Elements for Easy Cleaning
- Non-Drip Tap
- Tap Height: 138mm
- External thermal reset button
