

BC350

Dimensions (mm)	External	Internal
Height	1905	1390
Width	592	500
Depth	605	460
Capacity (ltr)		
Gross		350
Net		320

Technical Specification

BC350	
Temperature Range	+2°C ~ +8°C
Climate Class	4
Power Supply	13amp
Cooling	Ventilated
Defrost	Automatic
Noise Level	44db
Refrigerant	R600a
Energy Efficiency Class	B
Energy Consumption (kw/24hrs)	2.3
Power Usage (w)	210
Weight (kg)	84

Features

White laminated exterior with black plastic door frame

White prepainted aluminium interior

5 adjustable shelves, shelf size 485 x 420 mm

Internal LED illumination

Double glazed door

Lock fitted as standard

Feet as standard

Replaceable door gasket

Additional Extras

B9-SHELF350 - Shelf

B9-CLIP - Shelf clips (4 needed per shelf)

BC350
