## > DCM-60KE

dally ice production capacity of up to 60 kg
> DCM-120KE
daily ice production capacity of up to 125 kg

Cold drinks are very much favoured especially in casual or self-service environments; operators can lessen the work or manpower with an ice dispensing machine. Hoshizaki's cubelet ice dispensers meet the need with its 2-in-1 function that makes and provides ice to customers through its compact and space saving dispensers

## FEATURES

> simple push button to dispense ice
> adjustable portion control to reduce energy consumption and wastage
> auger system brings water consumption equal to ice production
> easy to clean and maintain
> direct dispensing reduces risk of contamination
> push lever dispensing system
