

# CHEFS DRAWERS TECHNICAL DATASHEET

## WCD1 CHEFS DRAWERS

### WCD1

| Dimensions (mm)     | External | Internal |
|---------------------|----------|----------|
| Width               | 880      | 677      |
| Depth               | 850      | 522      |
| Height              | 528      | 268      |
| Drawer Opening      | 1360     |          |
| <b>Capacity</b>     |          |          |
| Capacity cu.ft/ltrs |          | 3.3/94   |

## KEY FEATURES

- Large capacity drawer size 2 x 1 GN (150mm maximum depth)
- Stacking capability for convenient refrigerator / freezer combination
- The WCD1 has a removable refrigeration system designed for easy on-site service and maintenance.
- The VWCD1 has an easy to access built in refrigeration system.
- Environmental friendly R290 natural refrigerant has a low GWP / zero ODP
- Foodsafe stainless steel exterior and interior
- Heavy duty, non-marking swivel castors with brakes
- Magnetic balloon door gaskets with 100% tight seal
- CoolSmart controller
- Precision injected, high density polyurethane insulation with low GWP (Global Warming Potential) and zero ODP (Ozone Depletion Potential)
- Designed and engineered to operate efficiently up to a 43°C ambient.
- High performance helium leak testing
- The VWCD1 can be adjusted between Fridge and Freezer temperatures according to what is required

## VWCD1 VARI TEMP CHEFS DRAWERS

### VWCD1

| Dimensions (mm)     | External | Internal |
|---------------------|----------|----------|
| Width               | 1100     | 690      |
| Depth               | 670      | 553      |
| Height              | 486      | 190      |
| Drawer Opening      | 1280     |          |
| <b>Capacity</b>     |          |          |
| Capacity cu.ft/ltrs |          | 3.7/105  |

## OPTIONS

- Low level castors with brakes
- Adjustable legs in lieu of castors (when suiting with prime cooking stations)\*
- Helicoil cable
- GN Pan 2/1 50mm deep
- Heat resistant worktop (increases height by 9mm)
- Stacking kit

\*HWCD1/LWCD1: Alters height by -28mm to +22mm  
 VWCD1: Alters height by -6mm to +44mm

# CHEFS DRAWERS TECHNICAL DATA

| Chef Drawers      | HWCD1               | LWCD1             | VWCD1                |
|-------------------|---------------------|-------------------|----------------------|
| Temperature (°C)  | +1/+4°C             | -18/-22°C         | +1/+4°C or -18/-22°C |
| Climate Class     | Class 4 (30°C)      | Class 4 (30°C)    | Class 4 (30°C)       |
| Power Supply      | 230V/50Hz/1Ph       | 230V/50Hz/1Ph     | 230V/50Hz/1Ph        |
| Fuse (Amps)       | 13                  | 13                | 13                   |
| Defrost           | Automatic Off Cycle | Automatic Hot Gas | Automatic Hot Gas    |
| Noise level (dBA) | 59                  | 41                | 41                   |

## Fittings

|                         |   |   |   |
|-------------------------|---|---|---|
| Drawers                 | 1 | 1 | 1 |
| Containers (150mm deep) | - | - | - |

## Electrical Data - Hydrocarbon Refrigerant

|                                 |      |      |      |
|---------------------------------|------|------|------|
| Refrigerant                     | R290 | R290 | R290 |
| Energy Efficiency Class         | C    | D    | D    |
| Energy Consumption (kW / 24hrs) | 1.84 | 4.41 | 4.77 |
| Start Up (Amps)                 | 5.7  | 7.7  | 10.4 |
| Running (Amps)                  | 1.48 | 1.46 | 1.89 |
| Heat Rejection                  | 476  | 305  | 362  |

## IMPORTANT NOTES:

\*Energy consumption is tested to EN16825 in 24hrs

\*\*Heat rejection is evaporating at -10°C in 32°C Ambient

All refrigeration equipment requires adequate ventilation for efficient and effective performance.

Williams is committed to a policy of continual product development and innovation. As such, we reserve the right to change product specifications stated without prior notice.
