

Sliding Flat Glass Lid Chest Freezer

SC Range

Product Description

One of our best selling sliding glass lid chest freezers. Ideal for display of frozen food including ice cream and lollies. Sturdy heavy duty castors are fitted to enable easy movement of the cabinet, 2 of the castors are lockable. Excellent adjustment on the temperature means you can hold a temperature around -14°C for ready to serve ice cream or down to -24°C for other frozen food. A lock is fitted for security and a defrost drain for cleaning out the cabinet come as standard. The unit also has a fan assisted condenser for efficient operation. Unit comes complete with a full set of baskets and dividers (IC100SC does not come with any dividers and only 1 basket). A great product at an excellent price.
