

INDUZIONE PI 2.5 Kw

The induction hobs are easy to install on every working surface in kitchens, restaurants or dining rooms; thanks to the absence of fumes they are perfect for public cooking performances or when the preparation is made in view of customers.

- Graduated digital controls.
- Extremely easy to use and to clean.
- Smooth cooking surface makes cleaning easy.
- Safe operations are ensured by the cooking surface which is never heating up.
- Induction hobs are energy saving thanks to heating efficiency and no need to heat up.
- Electric absorption is stopped when the pan is removed from the hob surface.
