

Diagram shows shelves sloping. They are normally set level.

## Wall Site Multideck RC II Range Stainless

### Product Description

The Interlevin RC II Range is a solidly built multideck for display of drinks, sandwiches and milk (dairy). Large panoramic end glass enhances the look of the cabinet creating a great visual display. The 5 tiers enable you to make the most of the display space with excellent depth to keep shelves well stocked. Fan assisted cooling keeps even temperature across the whole cabinet and a night blind is fitted as standard. EPOS ticked strips are supplied for shelf fronts. This unit has a grey exterior and a mirror finish stainless steel interior.

### Features and Benefits

- Fully automatic
- Fan assisted cooling
- Adjustable cantilever shelves
- Adjustable feet
- Interior light with switch
- Digital controller and temperature display
- Clear plastic shelf risers
- Ticket strips
