

Glass Door Merchandiser

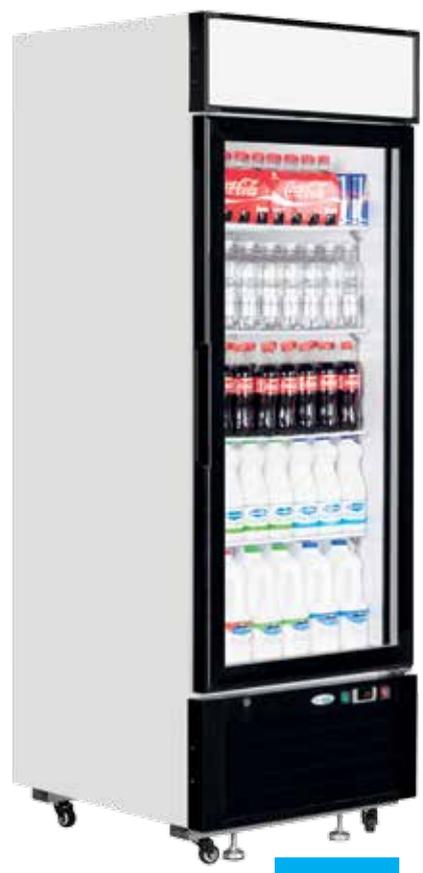

LGC Range

Freezer Option
page 101

Product Description

The Interlevin LGC range of glass door chillers gives you an option of matching single, double and triple door models (with matching freezers - see LGF range). These robust cabinets come with some great features. Each door has 2 vertical LED light strips for excellent internal illumination. The base inside the unit is stainless steel for easy cleaning of the cabinet. The carefully designed refrigeration system is energy efficient to keep down running costs. The cabinets are ideal for branding with the LED illuminated canopy. Lastly all units come fitted with castors so you can easily move the unit (for cleaning etc). There are also locking feet so it can be fixed in place. All round a versatile quality unit at great price.

LGC2500
