Specifications

The latest generation of Maxiglass bottle coolers is packed full of innovations! With larger capacity, brighter lights and energy saving features, the best just got better.

The MG3/275G bottle cooler has two hinged glass doors, with two vertical LED lights with even light distribution, so bright we have engineered a dimmer feature! The Maxiglass range uses environmentally friendly R600a refrigerant.

The unit comes with two solid shelves, engineered for stability and ease of cleaning. Locks are supplied as standard.
