

MG3/315G

Maxiglass plug ready bottle coolers

Specifications

The latest generation of Maxiglass bottle coolers is packed full of innovations! With larger capacity, brighter lights and energy saving features, the best just got better.

The MG3/315G bottle cooler has three hinged glass doors, with three vertical LED lights with even light distribution, so bright we have engineered a dimmer feature! The Maxiglass range uses environmentally friendly R600a refrigerant.

The unit comes with six solid shelves, engineered for stability and ease of cleaning. Locks are supplied as standard.
