Product Description

The beautifully designed OneShow from ISA is a premium range gelato display. A sleek clean design and a mirrored stainless steel interior, coupled with two crisp white LED strip lights (front and back) help create a stunning display. The flat glass hydraulic lid lifts up to access the ice cream for serving. The Free Regular and Large models can be used as a free standing unit or can be built into a counter. The low front glass optimises the display when used with clear Napoli tubs.
