2 YEAR PARTS WARRANTY

Product Description

The premium range of upright back bar coolers from Interlevin. Features twin vertical LED lighting for excellent illumination to display your beer, cider and soft drinks in the best possible way. As we believe in quality, the unit has twin high quality EBM long life fans to give excellent internal cooling. The unit also has Low E Glass that give better insulating qualities and helps reduce energy consumption and running costs. We've even made sure it has a sturdy handle for over enthusiastic bar staff who are in a rush. Ideal for bars, restaurants and cafes. Wine shelves are also available as an optional extra.
