

Griddles – Cast Iron

PSF400E

The PSF400E griddle is built around a sturdy cast iron plate giving a solid cooking platform for cooking burgers sausages bacon fried eggs etc. The smooth cast plate gives direct heat transfer to your food making the cooking process quicker and healthier. The integral wall on the sides and rear of the plate gives a secure area to cook and hold your food. The Incoloy heating element is designed give even heat across the plate so there are no cold spots.

Features: power on light; front drainage tray.

Weight	22kg
