

Buffet Bars – Central

The SBC40 F

The SBC40F provides the perfect presentation of all your chilled foods including starters, cold meats, prepared plates, salads and deserts for the self serve environment. With four side access and drop down shelves on each side, LED white lighting and glass breath protection panels the SBC40F will enhance your menu.

The unit will take any combination of containers up to 150mm deep total area of 4/1GN. Fully mobile with 2 locking casters this unit is ideal for hotels where food is served in a multi function area.

The body of the unit is made of wood and is available in 4 colours: light oak / dark oak (pictured) / mahogany / limed white (pictured)

Features digital thermostat, upper illumination, open lower storage shelf.
