

SIMAG

STAINLESS STEEL INTEGRAL CRUSHED ICE MACHINE

Description

Crushed ice is a delightful addition for cocktail enthusiasts, adding a refreshing chill to your favourite drinks. The SMH80AS ice maker stands out by producing crushed ice, eliminating the need for an extra unit that crushes the ice.

With an impressively low 8% residual water content, this ice not only cools your beverages but also outlasts most cubed and bullet ice. Whether you're mixing up a classic mojito or a vibrant fruit mocktail, the SMH80AS ensures your drinks stay perfectly chilled.

Features

- Unique crushed ice producing machine
- 25kg of crushed ice on hand
- High grade 441 stainless steel exterior
- Food safe plastic interior with silver and antibacterial interior
- Crushed ice is very dry with only 8 percent water
- Perfect for cocktails and display
- Air cooled (Water cooled available - POA)
