HIGHLIGHTS

- **Agion:** the technology that makes products cleaner and longer lasting with built-in protection working 24/7 to resist the growth of microbes and the development of unpleasant odors.
- **Appealing and elegant design:** it can be smartly positioned in any situation, from luxury lounges to unconventional traditional pubs, allowing customers to cool their drinks to their own taste, without any hygiene hazards.
- **3 different versions:** touch-free or push-button, any need and preference can be met.

Cubelet ice The chewable one

Compressed flake ice formed in irregular chips.
Long lasting, easy to use, high and fast displacement and hands-free dispensing:
a successful type of ice.
