

## Roband Rice Cookers

Roband Australia carefully sources a selection of commercial food service products that are manufactured overseas to meet the diverse needs of Australian food service establishments.

With Thai, Chinese, Japanese, Indian and other multi-cultural cuisines proving to be very popular with diners, Roband Australia recognises the need for reliable, efficient rice preparation.

We offer three types of rice preparation machines – three rice cookers, a rice cooker with a keep-warm function and a stand-alone rice warmer. Years of research and development has culminated in machines that deliver the very best quality of steamed rice.
