CINEMA RANGE

VIZU COUNTER POPCORN WARMER 900

- Creates an attractive display as well as bulk storage.
- The large rear access (with sliding cover) allows for quick and easy filling of tubs, bags and buckets.
- Fan assisted heating keeps the popcorn dry and warm – ready to serve and eat.
- LED lighting for lower power consumption
- Removable inner floor panels for easy cleaning
- Lower floor grid section allows stray un-popped kernels to escape
- Popcorn Kernel draw allows easy collection of the small unwanted piece
- Easy access removable front control panel
- Interior divider allows separation of sweet vs. salted popcorn.
- Nylon lines door runners allow super easy operation
