

Chocolate Display Cabinet

Zurich II Chocolate Range

Product Description

The Trimco Zurich Chocolate has built up a reputation over many years as being a quality cabinet at a competitive price. 4 tier display with light under each shelf gives an excellent display for chocolate. A built in humidity controller along with the refrigeration system helps keep chocolate in the perfect condition to stop spoiling and oxidation of the chocolate (where it turns white). Sliding doors to the rear give easy access to serve customers. Available in 3 widths to make the most of the space you have.
